

TILLAMOOK COUNTY FLOODPLAIN ELEVATION / FLOODPROOFING CERTIFICATION

The floodplain elevation portion of this form shall be filled out by either a registered surveyor, architect, or engineer. The floodproofing portions of the form, when applicable, shall be filled out by a registered engineer or architect only.

PART I - of the form shall be filled out and submitted with the One-Stop Permit Application along with plans indicating that the proposed structure's lowest floor, as defined by FEMA, will be at the elevation indicated in the certificate. The building plans shall include all four building elevation sketches with the lowest floor elevation and existing grade elevations shown as well as proposed finish grade lines.

PART II - of the form shall be completed and submitted to this department when the lowest floor is constructed. Further construction will not be allowed to continue until Part II of the certification is completed. Failure to submit the completed Part II will result in a Stop-Work Order being posted on the construction.

ALL DEVELOPMENT AND CONSTRUCTION SHALL BE IN ACCORDANCE WITH SECTION 3.060 OF THE TILLAMOOK COUNTY LAND USE ORDINANCE. IT IS THE RESPONSIBILITY OF THE PROPERTY OWNER TO MAKE SURE THAT ALL WORK IS IN CONFORMANCE WITH THESE REGULATIONS.
